

Fly'n For Fun

Food Vendor Proposal

Parke, NSW
27-29 March 2026

Fly'n For Fun

About Recreational Aviation Australia

Recreational Aviation Australia (RAAus) is the largest approved administrator of aircraft, pilots and maintainers in Australia. RAAus services almost 10,000 members, registers a fleet of over 3,200 aircraft, oversees the operations of over 160 Flight Training Schools around the country, and supports 30 Aero Clubs.

RAAus plays a crucial role in fostering a vibrant and safe community of recreational aviators across the country. Its commitment to providing training, support, and regulatory oversight helps individuals pursue their passion for flying while adhering to high standards of safety and professionalism.

RAAus' vision is to inspire and connect people through aviation.

Event Overview

Fly'n For Fun is a dynamic aviation event hosted by RAAus and principal sponsor AMDA, set to take place at Parkes Airport from 27-29 March 2026 with the main event day on 28 March. This exciting weekend celebrates the joy of recreational flying and the spirit of adventure, bringing together aviation enthusiasts, pilots, and families.

Attendees can look forward to informative forums, engaging exhibitors, and aircraft flying in from across Australia. It's also a prime opportunity for sponsors and exhibitors to connect with their target audience and gain valuable exposure within the aviation community.

Principal Sponsor Involvement (AMDA)

As the Principal Sponsor, AMDA plays a pivotal role in making *Fly'n For Fun* a standout event. As the organisers of the Australian International Airshow at Avalon—the largest airshow in the Southern Hemisphere—their support provides unmatched exposure and helps us share the excitement of aviation with an even broader audience.

Why Participate as a Food Vendor?

Fly'n For Fun 2026 presents a unique opportunity for food vendors to showcase their offerings to a diverse audience. The 2024 event featured 20 exhibitors and captivating static displays, attracting over 400 attendees. With an anticipated increase in participation for 2026, vendors will benefit from high foot traffic, brand exposure, and repeat customers.

Target Audience

- Pilots and aviation enthusiasts
- Families and general attendees
- Industry professionals and exhibitors
- Local community members

Vendor Opportunities

We are seeking a variety of food vendors to cater to different dietary preferences and tastes. We welcome applications from vendors offering:

- Gourmet meals
- Fast food and casual dining
- Healthy and vegetarian/vegan options
- Coffee and beverage stalls
- Desserts and snacks

Vendor Requirements

- All vendors must hold valid food handling and business permits.
- Compliance with local health and safety regulations is mandatory.
- Vendors must provide their own equipment, including food trucks, marquees, or stalls.
- Power supply will be available at designated locations, but water will not be provided.
- Environmentally friendly packaging is encouraged to align with sustainability initiatives.

Fees and Booking

- Selection of food vendors will be at the discretion of the event organisers, as only a particular number of each type of vendor is required.
- Vendors will receive marketing support, including promotion on the event website and social media channels.
- A \$50 final booking fee will be charged upon signature of the final contract. This fee is non-refundable should the food vendor cancel after 1 December 2025.
