Fly'n For Fun

About Recreational Aviation Australia

Recreational Aviation Australia (RAAus) is the largest approved administrator of aircraft, pilots and maintainers in Australia. RAAus services almost 10,000 members, registers a fleet of over 3,200 aircraft, oversees the operations of 160 Flight Training Schools around the country, and supports 30 Aero Clubs.

RAAus plays a crucial role in fostering a vibrant and safe community of recreational aviators across the country. Its commitment to providing training, support, and regulatory oversight helps individuals pursue their passion for flying while adhering to high standards of safety and professionalism.

RAAus' vision is to inspire and connect people through aviation.

Event Overview

Fly'n For Fun is a dynamic aviation event hosted by RAAus and principal sponsor AMDA, set to take place at Parkes Airport from 27-29 March 2026 with the main event day on 28 March. This exciting weekend celebrates the joy of recreational flying and the spirit of adventure, bringing together aviation enthusiasts, pilots, and families.

Attendees can look forward to informative forums, engaging exhibitors, and aircraft flying in from across Australia. It's also a prime opportunity for sponsors and exhibitors to connect with their target audience and gain valuable exposure within the aviation community.

Principal Sponsor Involvement (AMDA)

As the Principal Sponsor, AMDA plays a pivotal role in making *Fly'n For Fun* a standout event. As the organisers of the Australian International Airshow at Avalon—the largest airshow in the Southern Hemisphere—their support provides unmatched exposure and helps us share the excitement of aviation with an even broader audience.

ROTAX Sponsorship

We extend our gratitude to ROTAX for their continued support in enhancing the overall visitor experience at the event. Thanks to their contribution, attendees can enjoy dedicated shuttle bus services and a spacious, covered rest area.

In 2024, visitors and pilots flying in enjoyed seamless transport to and from the event and the heart of Parkes, while those on site were able to relax and enjoy a bite to eat in the rest area provided.

Thanks to ROTAX's ongoing support, these additions continue to make a meaningful difference to the comfort and enjoyment of all who attend.

The ROTAX logo consists of the word 'ROTAX' in a very bold, red, sans-serif font. A registered trademark symbol (®) is located at the bottom right of the letter 'X'.

Why Participate as a Sponsor?

Sponsoring *Fly'n For Fun* offers an excellent opportunity to engage with Australia's aviation community. The event brings together aviation enthusiasts, pilots, and industry professionals, providing valuable exposure for your organisation.

Your brand will gain visibility through event branding, promotions, and media coverage, enhancing recognition and engagement. Additionally, it's a unique chance to show your support for recreational aviation while building connections with key industry stakeholders.

By becoming a sponsor, your organisation can contribute to fostering aviation innovation and community spirit. Join us today and be part of this exciting celebration of aviation!
