

Event Schedule

FRIDAY - 27 MARCH

9:00am Pilots Flying In

5:30pm BBQ at Parkes Aero Club

8:00pm Movie Night

SATURDAY - 28 MARCH

8:00am CEO Welcome - *Maxine Milera*

8:05am CEO Welcome - *Justin Giddings*

8:20am Getting the most from AvTraffic in Flight - A practical session on how AvTraffic works and how to use it effectively in real flying. Includes setup tips, feature walkthroughs, and techniques to improve traffic awareness and safety - *Presented by AvTraffic*

9:00am New ROTAX Technologies - An overview of the Rotax engine range, highlighting model differences and typical applications. The seminar will also explore newer fuel-injected engines and what sets them apart from traditional carburetted systems - *Presented by ROTAX*

9:40am Latest Garmin Updates - Join us for a seminar covering the latest Garmin aviation products and updates, along with an in-depth discussion of the proposed ADS-B mandate and what it means for you - *Presented by Garmin*

10:20am With Wings Scholarship Program - A deep dive into the fully funded two-week accessible aviation scholarship program based in the Yarra Valley - *Presented by Huy Nguyen*

11:00am Avoiding Loss of Control - A Pilot-Centric Approach Webinar - *Presented by Rich Stowell*

12:10pm CASA Aviation Decision Making - This seminar explores the responsibilities of the pilot-in-command and the attitudes and biases that influence pilot performance. It will also examine pre-flight versus in-flight decision-making, introducing practical decision-making models to help pilots make safer, more effective choices - *Presented by Chace Eldridge*

1:20pm Aviation careers, motivation, inspiration, resilience, or from the perspective of an airline pilot who absolutely loved his job - *Presented by Cran Middlecoat*

2:00pm How GoFly Online helps students pass their flight tests and exams - *Presented by GoFly Online*

2:40pm OzRunways Master Class - *Presented by OzRunways*

3:20pm Global Aviation Products offers an aircraft for every mission - Come and join us for the rebirth of Bushcat Aircraft now manufactured in Australia - *Presented By Errol Van Rensburg*

4:00pm *BushCat Test Flight*

4:30pm Get the most from your Electronic Flight Bag - *Presented by AvPlan*

5:10pm More Than Flying - Learning to fly at a young age shaped not just my career, but the way I think, decide, and take responsibility. This seminar explores how aviation builds life skills like confidence, preparation, risk awareness and accountability — showing families how flying can be a powerful pathway for personal growth - *Presented by Ashton Nelson*

5:40pm Departing Pilot Briefing - *Presented by Marty Peters*

6:00pm Member Forum - *Presented by RAAus Team*

7:00pm Bar opens. Gather at the campfire for storytelling, some trivia, tunes, and announcement of the pilot and aircraft awards.

9:00pm Jabiru Film Night

SUNDAY - 29 MARCH

9:00am Pilots Flying Out
